#### ABOUT GIANTS OF AFRICA (GOA)

Founded in 2003 by NBA Champion and Vice Chairman and President of the Toronto Raptors Masai Ujiri, Giants of Africa is a not-for-profit organization that has traveled the African continent for the past twenty years conducting basketball camps for boys and girls, building courts and facilitating youth outreach initiatives. Today, Giants of Africa continues to develop infrastructure and inspire youth with programs focused on education, empowerment and leadership, both on and off the court.

#### ABOUT THE GIANTS OF AFRICA FESTIVAL

The inaugural Giants of Africa Festival in Kigali, Rwanda in 2023 marked GOA's 20th anniversary and will forever be etched in history as a beacon of unity, inspiration, and transformation that ignited the continent. After witnessing the festival's profound, far-reaching impact and recognizing the growing demand from African youth for educational and life-changing opportunities, Giants of Africa is excited to once again return to Kigali in summer 2025.

The 2025 Giants of Africa Festival will unite 320 young men and women from 20 African nations for a week of community, culture, basketball, education and entertainment. The festival will serve as a unifying force that ignites potential and catalyzes change across the continent.
